The business in future will be run by Mr. Pittman under the name of A. J. Pittman & Co., which is the name that Mr. Pittman did business under before he took Mr. McIntyre as a partner. RIFLES WILL PARADE

The Ocala Rifles will participate in the parade tomorrow afternoon, in the decoration of the graves of the Confederate dead. It is hoped as many merchants as can will permit the young men in their employ who belong to the Rifles to participate. It is further urged that any person who desires to participate in this parade, though not a member of the Rifles, can do so by coming around to the armory tomorrow afternoon at 2:30 and getting a gun and uniform.

THE BAND BOYS MEET

The Metropolitan Band had a well-attended meeting in the city court room last night, presided over by Business Manager J. R. Martin. The band is trying to reorganize and get in shape for those delightful summer open air concerts so popular with our people and to supply music for other occasions. It is to be hoped that they will succeed, for a good band is the life of a town.

ECZEMA = SANITIC

This most aggravating and tormenting of all skin diseases is caused by an acid condition of the blood, and unless relieved through certain instrumentalities too much of this acid poison reaches the skin and it becomes red and inflamed almost unbearable, especially when overheated from any cause. The impossible, the desperate sufferer, regardless of consequences, scratches, burns, itches, humors appear sometimes in little pustules, forms crusts and scales. Again the skin is dry, hard and fissured, itches. This is a painful and stubborn form of the disease.

While Eczema, Tetter, Erysipelas, Salt Rheum and many like troubles of the skin, they are really blood diseases, because

THERE CAN BE NO EXTERNAL CURE WITHOUT AN INTERNAL CURE.

If the blood is in a pure, healthy condition, no poisonous elements can reach the skin. External applications of washes, lotions and salves something to soothe the itching and soothe the inflammation, but cannot reach the disease. Only S. S. S., the only purely vegetable remedy known, is a safe and permanent cure for all skin troubles. It goes direct to the seat of the disease, neutralizes the acids and cleanses all the organs, and thus clears the system of all impurities through the natural channels, and all signs of the disease disappear.

Mrs. Lela M. Hoffman, of Cardington, Ohio, says she was afflicted with Scrofulous sores and Eczema from birth. Her face at times became so badly swollen that she was not recognizable, and her hands were very sore. She was treated by all the doctors in town without being benefited, and her researches for relief, was not till by an old physician to take S. S. S. She followed his advice and promptly cured, and has never had a return of the disease. This was seventeen years ago. She believes she would have been in her grave years ago but for S. S. S., and adds, "what it has done for me it will do for others."

Send for our book on Blood and Skin Diseases, and write our physicians fully about your case; they will cheerfully give any information or advice wanted. We make no charge.
